

## **2015 Vuelta a Dillon**

### **Special Notice Regarding Timing**

Due to many riders not stopping at the Montezuma timing stations and confusion with our timers we have decided to omit that section of the race. We were able to extrapolate the top three 20 mile men and women finishers from that section and have them listed. Based on the information we did have omitting the Montezuma section did not impact the final results of the combined 60 and 90 mile times. *Sorry for the confusion.*
